<b>Abstract:</b>	<p>The History of Medicine Collections began in 1931 with the acquisition of the library of the Georgia Medical Society and reached an important new level with the gift of the Trent Collection in 1956. Today the collections, which cover the history of the health sciences, number 33,000 volumes and consist of monographs, serials, manuscripts, medical instruments, artifacts, prints, photographs, and ephemera. SERVICES: Reference in person, by letter/e-mail or phone; reproduction services available. HOURS: 9:00 a.m. - 9:00 p.m. Monday - Thursday, 9:00 a.m. - 5:00 p.m. Friday, 1:00 p.m. - 5:00 p.m. Saturday. Please check website as hours are subject to change during University holidays and breaks. Newsletter, Trent Associates Report, published twice a year. Exhibition catalogue The Physician's Art (1999) available from the Duke University Press. The Four Seasons of Human Life (2002) distributed by Balogh for Erasmus Publishing. Digitally scanned photographs and illustrations from the collections accessible via the Library web page at the address above.</p>
