Abstract:	Established in 1972, the Robert L. Brown History of Medicine Collection contains more than 13,000 volumes of 19th century medical monographs with particular strength in the areas of obstetrics/gynecology, surgery, dentistry, psychiatry, pharmacology, and oncology. Additional holdings include a collection of more than 500 pre 19th century titles. The Collection also houses the Edgar McGuire Historical Medical Instrument Collection that features medical and health sciences instruments and artifacts such as Auzoux anatomical models, microscopes, and a Staffordshire leech jar. Publications: Pre-Nineteenth Century Catalogue of
