<b>Abstract:</b>	The Museum of Health Care at Kingston is a safe haven for more than 30,000 artefacts, including medical, surgical, and laboratory instruments, commemorative objects, and patient care items. Individuals and institutions donated the artefacts in the various collections, which date from the late 18th century to the present. The collection can be searched on the Museum's website at <a href="http://www.museumofhealthcare.ca">http://www.museumofhealthcare.ca</a> or Artefacts Canada. The Museum can provide images for both web publication, and high-resolution images for print publication.
