Abstract:	This library exists primarily to serve the faculty, residents, and staff of the University of Alabama at Birmingham Department of Anesthesiology. However, others are welcome to use materials in-house. The library provides reference services and will photocopy from its collections. Interlibrary Loan services are available; the library is a DOCLINE participant.
Holdings:	The library holds more than 3,000 monographs, 500 audio and video tapes, 1,700 bound journal volumes, and many items of ephemera (company literature, organizational publications, etc.). The collection includes more than 200 pre-1970 monographs related to anesthesia and pain management, more than 100 monographs related to the history of anesthesia and pain (secondary literature), and numerous subject and individual files related to anesthesia and pain history. Inventories available online: journal holdings, CD & DVD holdings, and historical files.
Collection Subject Strengths:	History of Anesthesiology and Anesthesia; History of Pain Management
Other Collection Subject Strengths:
