

Resources for Public Health Professionals

AIDSinfo®

Resource providing the latest federally approved treatment guidelines for health care professionals as well as information on treatment, prevention, and research.

aidsinfo.nih.gov Spanish: infosida.nih.gov

Community Health Maps Blog

Tool for community-based organizations to learn about free and low cost mapping tools.

communityhealthmaps.nlm.nih.gov

Enjoy History?: Learn Something New

Surviving and Thriving: AIDS, Politics, and Culture - one of many online and travelling NLM exhibits.

nlm.nih.gov/exhibition/survivingandthriving

Visit blog *Circulating Now* for insights into the history of medicine and public health.

circulatingnow.nlm.nih.gov

Genetics Education Resource (GeneEd)

Resource for students and teachers to explore cell biology, DNA, genes, chromosomes, and other top issues in genetics.

geneed.nlm.nih.gov

Genetics Home Reference™

Consumer-friendly information about the effects of genetic variations on human health.

ghr.nlm.nih.gov

Haz-Map®

Occupational database linking jobs and hazardous tasks with occupational diseases and their symptoms.

hazmap.nlm.nih.gov

Hazardous Substances Data Bank (HSDB®)

Comprehensive, peer-reviewed toxicological and environmental data for chemicals.

toxnet.nlm.nih.gov

HealthReach

Quality multilingual public health resources for health educators and providers.

healthreach.nlm.nih.gov

Health Services Research (HSR) Resources for Public Health

Portal for up-to-date research resources for public health, including news, funding, colleagues, topics (HRSProj database), and datasets and survey tools (HSRR database).

nlm.nih.gov/hsrinfo/

K-12 Science and Health Education

Reliable resources to help introduce, reinforce, and supplement education programs.

k12.nlm.nih.gov

LactMed® (Drugs and Lactation Database)

Database of drugs, dietary supplements, and other chemicals to which breastfeeding mothers may be exposed and the effects of those agents on nursing infants and lactation.

lactmed.nlm.nih.gov

MedlinePlus®

Consumer health information in English and Spanish including diseases, wellness topics, drugs, supplements, news, tutorials, videos, and more!

medlineplus.gov

MedlinePlus® Connect

A free service for health IT systems, patient portals, and electronic health records (EHRs) to link to targeted, consumer-friendly patient information from MedlinePlus.

medlineplus.gov/connect

Newborn Screening Coding and Terminology Guide

Downloadable standard codes and terminology for newborn screening tests and conditions as well as guidance for HL7 electronic messaging.

newbornscreeningcodes.nlm.nih.gov

Resources for Public Health Professionals

People Locator® and ReUnite®

Enables family, friends and neighbors to locate or report missing people during a disaster event.

lpf.nlm.nih.gov

Public Health Partners

Selected public health resources for the public health workforce.

phpartners.org

PubMed®/MEDLINE®

Bibliographic database comprising millions of citations from biomedical literature, life sciences journals, and online books.

pubmed.gov

PubMed® Health

Online reviews of clinical effectiveness research, with easy-to-read summaries for consumers and full technical reports for public health professionals.

ncbi.nlm.nih.gov/pubmedhealth

PubMed for Handhelds

Brings medical information to the point of care via mobile devices. Includes tools for searching by text message (askMEDLINE and txt2MEDLINE), applying clinical filters (PICO) and viewing summary abstracts (The Bottom Line and Consensus Abstracts) in PubMed/MEDLINE, and evaluating the use of these tools in Clinical Decision Support.

lhncbc.nlm.nih.gov/project/pubmed-handhelds

Quality Improvement (QI) Quick Guide

Online guide for public health practitioners to help determine which resources to use for QI initiatives.

phf.org/quickguide

Resource Guide for Disaster Medicine and Public Health

A gateway to free online resources related to disaster medicine and public health including guidelines, research reports, tools, and Web sites that address disaster preparedness, response, and recovery.

disasterlit.nlm.nih.gov

TOXNET®

Databases on toxicology, hazardous chemicals, environmental health, and toxic releases.

toxnet.nlm.nih.gov

TOXMAP®

Geographic Information System (GIS) that uses maps of the United States to help users visually explore data from the EPA's Toxics Release Inventory (TRI) and Superfund programs.

toxmap.nlm.nih.gov

Tox Town®

Guide to commonly encountered toxic substances. Also, includes classroom materials.

toxtown.nlm.nih.gov

toxtown.nlm.nih.gov/espanol/

Wireless Information System for Emergency Responders (WISER®)

System for emergency responders with information on hazardous substances to assist first responders during hazardous materials incidents.

wiser.nlm.nih.gov

NLM Mobile Sites and Resources with Apps

Guide to NLM mobile resources and apps. Browse by Type, Device, or Tags.

nlm.nih.gov/mobile-app

One-stop-location for links to NLM e-resources including datasets, biomedical databases, application programming interfaces (APIs), Web-based and mobile applications.

wwwcf2.nlm.nih.gov/nlm_eresources/eresources/search_database.cfm

Follow, Fan, and Connect with NLM

Twitter, Facebook, RSS Feed, E-mail Lists, News Updates.
